

we listen to radio station K-LOVE. It is the only contemporary Christian radio station that we can receive in our area. If K-LOVE were to be displaced by an LPFM broadcaster that provides other programming, we would no longer be able to listen to the kind of music on the radio that we enjoy. I know myself, family and friends would all be affected by such a decision by the FCC to take away the station that we enjoy so much. K-LOVE is a listener supported station that remains on the air because so many of its listeners want to keep their favorite station. Please do not take away the music that we enjoy from us.
